

Dedication

*In Loving Memory of
Miss Maryellen Colauechio*

Miss Colauechio faithfully served St. Richard School for the past 25 years as our teacher, mentor, principal, and friend. Her unselfish spirit touched our lives in a special way. We are grateful that "Miss Col" was part of our St. Richard's family for so many years. For the love and devotion you gave to our school, we dedicate the 2000-01 yearbook to you.

*We will love you forever.
We will like you for always.
As long as we're living,
Our principal you will be.*

*Thank You,
Sister Kathleen*

Sister Kathleen Duffy, R.S.M., has been our school librarian for the past two years. In October, she extended her talents beyond the library into the St. Richard's community, as she unselfishly accepted the role of principal, counselor, and friend. We are grateful for her caring spirit and loving support, as she kept us strong during a very difficult time. Thank you, Sister, for going far beyond the call of duty and reaching out to us in our time of need. The time, effort, and love you gave to each of us will never be forgotten. God bless you!

*Think of God's mercy and worship Him.
Do not model yourselves on the behavior of the world around you,
But be transformed by the renewal of our mind,
That you may discern what is the will of God,
What is good and pleasing and perfect.
Romans 12:1-2*

Dear Graduating Class of 2001:

A foundation is what you have been given at Saint Richard School; a base on which to form future decisions and goals. It is my sincere wish that you take with you a trust in God, a love of Mary, and an appreciation of the power of prayer. You are Christians and should always remain faithful so that all that you do clearly reflects your identity.

May Jesus be your model as you grow, change, and mature. Remember to attend Mass and receive Eucharist often. I wish you well as you move onto high school. I hope you continue to participate in the many beautiful celebrations as you are still an important part of St. Richard Parish.

Be thankful to those around you who have worked so hard to guide you spiritually, academically, and emotionally. Trust in God in all that you do and know that you will always have a special place in my prayers. God bless.

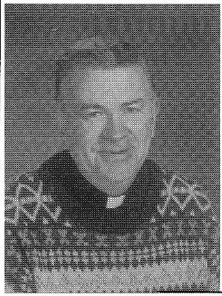

Sincerely,

Mrs. Angela Fazio
